

This powerful spell summons objects into your hand. Today you will use it to summon a magical wand!

ACCIO!

THE SUMMONING CHARM

HOW TO PERFORM THE SPELL

1 HIDE THE WAND

- ★ Secretly hold the rolled-up wand in your palm, keeping it in place with your thumb.
- ★ Wave both hands as if performing real magic.
- ★ Make sure no Muggles can see your hidden wand!

2 CAST ACCIO!

In your loudest wizard voice shout:

“ACCIO!”

- ★ As your hands rise, release the hidden wand.
- ★ The wand instantly springs open and flies skywards!

3 CATCH YOUR WAND

- ★ Catch the wand as it appears.
- ★ With practice you will be able to perform the spell smoothly and confidently.
- ★ Soon you will be amazing everyone!

WIZARD'S SECRET

THE ENGINEERING BEHIND THE MAGIC

- ★ This wand is made from a special memory plastic called PET plastic.
- ★ It has been trained to remember the shape of a long, stiff wand.
- ★ When you roll it up, you store energy inside it, just like squashing a spring.
- ★ When you let go, the wand remembers its favourite shape and springs open in a flash!

POP!
A WAND APPEARS
LIKE MAGIC!

TIPS FOR YOUNG WIZARDS

-  Keep the wand hidden until you cast the spell.
-  Release the wand as your hands move upwards.
-  Watch the wand carefully as it flies.
-  The hardest part is catching it stylishly!
-  Practice makes perfect – soon you will be amazing everyone!

★ That's why it seems to appear by magic!
A great wizard never reveals this secret to Muggles.

★ PRACTICE, BELIEVE, AND YOUR MAGIC WILL AMAZE! ★
